Dear Mr. Snook:

I am writing to respond to your request for a meeting with me. I am aware that the US Observer has published an article about the pending case of State v. Keller. In light of that article, I assume that you wish to discuss the case with me.

I have an affirmative obligation to make sure that Mr. Keller receives a fair trial in this case. For that reason, I may not discuss the case while it is pending.

If you would like to meet with me after the case is resolved, I am happy to do so.

Very truly yours,

Daina A. Vitolins
District Attorney
